

Winter Fantasy

Snowflake trees and mistletoe
Frost Winter breeze
Sleigh Bells heard around the bend
Jinglin Jingle gleese

Children shout, "Hello"
While romping in the snow
I hope this dream mine will never end

This is my winter fantasy
Heart and home and family
This is my Winter fantasy
Come believe with me, with me

Pumpkin pie and cookies sweet
Laughter, love and song
Bayberry and hints of Pine
Somewhere to belong

Here's my solemn prayer
For people everywhere
I hope this dream of mine will never end

This is my Winter Fantasy
Heart and home and family
This is my Winter Fantasy
Come believe with me

Hot chocolate and puffy coats
Cranberry and spice
This Winter Wonderland of mine is oh so very nice

Snowflakes and mistletoe
Frosty winter breeze
Sleigh Bells heard around the bend
Jingling jingling gleese

Children shout, "Hello"
While romping in the snow
I hope this dream of mine will never end
This is my Winter fantasy

Heart and home and family
This is my winter fantasy
Come believe with me
